

Citizenship

This course provides students with information on aspects of American citizenship, including preparation for naturalization; important events in U.S. History; the Constitution and its historic background, study of organization, powers, and duties of federal, state, and local governments, understanding and appreciation of American culture, institutions, and ideals; while developing the listening, reading, speaking, reading and writing skills of limited English-proficient students. Emphasis is placed on privilege, duties, and responsibilities of citizens. No registration or class fee. \$2 student body card.

**Open enrollment.
